## Firm is branching out

A RIPLEY financial advice company is branching out into Derby as the economic crisis deepens.

Midland Financial Solutions has been formed by financial adviser Kevin Edwards joining forces with Mabe Allen, which has offices in Derby, Ilkeston and Ripley.

Initially, Midland Financial Solutions is operating from Mabe Allen's head office on Osmaston Road, Derby, and can also be contacted through its offices at St Mary

Street, Ilkeston, and Derby Road, Ripley.

The main areas of advice will be investments, pensions and retirement planning, school fees planning, inheritance tax and trust matters, and long-term care for people living in nursing homes.
